

Co-ordinated Admission Scheme for all Maintained Schools and Academies in the Area of Cumbria County Council 2023–2024

Note: the list of schools may need to be revised to provide for the conversion of some schools to academies or to take account of other school organisational changes.

For the purposes of this document 'school' refers to maintained schools and academies unless otherwise indicated.

1. Introduction

(1) In line with the requirements of the 1998 School Standards and Framework Act (as amended) this scheme has been drawn up by Cumbria County Council to co-ordinate admissions to all maintained schools and academies in Cumbria, except for entry to Year 12 and for entry to special and nursery schools, regardless of whether the Local Authority (LA), the governing body or the academy trust is the admission authority.

(2) The scheme's purpose is to ensure that, as far as reasonably practicable:

i) Every parent or carer living in Cumbria who has applied for a place for their child for entry in September 2023 to Reception in an infant or primary school, Year 3 in junior school or to Year 7 at a secondary school in the normal admissions round, receives only one offer of a school place for each child on:

- (a) 1 March (or the next working day) for transferring to Year 7 at a secondary school;
- (b) 16 April (or the next working day) for starting infant or primary school (Reception year group);
- (c) 16 April (or the next working day) for transferring to Year 3 at a junior school.

16 April 2023 will be a Sunday; offers of Reception and Year 3 places for September 2023 will therefore be made on Monday 17 April 2023 (the next working day after 16 April 2023).

NOTE: The School Admissions Code 2021 states that for secondary school applications, all offers must be made on the same secondary National Offer Day ie. 1 March or the next working day. For primary school applications, all offers must be made on the same primary National Offer Day ie. 16 April or the next working day.

ii) Every parent or carer living in Cumbria who applies for a school place at a school at any other time, except for admission to Year 12 and for entry to special and nursery schools receives only one offer of a place for each child on the following basis:

- (a) Applications received after the first day of the school term of the admissions year, and at any other time for entry to the normal year of entry, will be treated as 'in year' admissions.

NOTE: The management of school applications may be severely delayed where separated parents or carers of the child each submit a separate application for

different schools. The School Admissions Code 2021 states that only one offer per child is made by the LA. In this situation the LA asks that parents or carers attempt to resolve matters between themselves, and inform the LA in writing of which application should be processed. It is not appropriate for the LA to become involved in private disputes.

The LA does recognise that there may be exceptional situations where parents or carers cannot ultimately reach an agreement between themselves and it is, therefore, necessary for the LA to take a decision. Where this is the case the LA will, if appropriate, advise parents to seek independent legal advice. The LA will also try to establish the child's permanent address and prioritise the application made by the parent or carer living at this address in accordance with the published admission arrangements. In most circumstances this will be the application submitted by the parent or carer who is in receipt of the child benefit for the child to whom the application relates.

There may be some circumstances where the LA will suggest that parents or carers seek independent legal advice and ask that they provide copies of any relevant court order relating to child arrangements.

- (3) The scheme does not apply to those places set aside for boarders.
- (4) The scheme will be implemented in line with the timetables set out in Appendix 1 and 2.
- (5) Appendix 3 and 4 list the admission authorities to which the scheme applies.

2. The Common Application Forms

- (1) There will be three standard forms known as the Common Application Forms. In line with county council policy, online applications are encouraged and references to the various forms below include those available online. Hard copies are also available. The forms are as follows:

SA1 – Admission to Infant or Primary School – September 2023

SA2 – Transfer to Junior School – September 2023

SA3 – Transfer to Secondary School – September 2023

- (2) The forms will be used for the purpose of admitting pupils into the Reception Year for infant and primary, Year 3 for junior and Year 7 for secondary intake groups in September 2023. They will:
 - invite parents or carers to express three preferences for schools in rank order of preference including, where relevant, any schools outside the LA's area;
 - explain that parents or carers are entitled to give their reasons for their preferences; and
 - specify the closing date and to whom the form must be returned.
- (3) The LA will ensure that the SA1, SA2, and SA3 are available online and from the LA. They will be available online from 6 September 2022. Parents and/or carers of children in their last year at an infant school will receive information about how to apply for a junior school place from the infant school. Those with a child in the last year of a primary or junior school will receive information about how to apply for a

secondary school place from their current primary or junior school. Information about schools together with an application form will be made available on the Cumbria County Council website.

- (4) The governing body of a voluntary aided, foundation, free school or an academy trust can require parents or carers who wish to express a preference for their school on the common application form, to provide additional information on a supplementary form, or by way of supporting evidence only where the information is required for the governing body or academy trust to apply their oversubscription criteria. Where a supplementary form or supporting evidence is required it must be returned to the school where entry is sought.
- (5) A supplementary form **will not** be regarded as a valid application unless the parent and/or carer has also completed a common application form and the school has been given as one of their preferences.
- (6) Where common application forms are sent directly to voluntary aided, foundation, free schools or academies, they must be passed to the LA within five school days.

3. The Closing Date for Application Forms [SA1, SA2 and SA3]

- (1) Completed forms must be returned as follows:

SA3 – by 31 October 2022 online, to the child’s current junior or primary school or directly to the School Admissions and Appeals Team;

SA1 – by 15 January 2023 online, to the parent or carer’s preferred school or directly to the School Admissions and Appeals Team (note 15 January 2023 is a Sunday); and

SA2 – by 15 January 2023 online, to the child’s current infant school or directly to the School Admissions and Appeals Team (note 15 January 2023 is a Sunday).

Parents or carers who are resident in Cumbria and whose children do not attend a school in Cumbria, or any parent or carer preferring to return their form direct to the LA, should return the form to the School Admissions and Appeals Team. The same closing dates apply.

Parents or carers who are resident in Cumbria and who wish to apply for a school place at a maintained school or academy outside of Cumbria should still complete one of the above forms and make an application via Cumbria. Their application should be submitted to the School Admissions and Appeals Team in Cumbria by the closing dates, as set out above.

- (2) Where a preference has been expressed for a voluntary aided, foundation, free school or an academy requiring a supplementary form or supporting evidence, this should be returned directly to that school by the above closing dates.
- (3) All schools must forward completed application forms to the LA on a weekly basis as and when they are received. The final deadlines for the forms to be sent by first class post are:

SA3 – 4 November 2022

SA1 – 21 January 2023

SA2 – 21 January 2023

- (4) In relation to all schools, preferences which are submitted or changed after the closing date will only be considered in exceptional circumstances.
- (5) Even if there are exceptional circumstances, it will not be possible to consider applications received or changed after:

6 January 2023 for Transfer to Secondary - Year 7 [SA3]

10 February 2023 for Starting Infant or Primary - Reception [SA1]

10 February 2023 for Transfer to Junior - Year 3 [SA2]

until after the allocation of places has been made for all those parents or carers who applied on time.

4. Completing the SA1, SA2 and SA3 Application Forms

- (1) If a parent or carer completes the application form in such a way that the ranking of two or more preferences is not clear, the distance between home and school, measured by the shortest walking route by road between the pupil's home address and the nearest available entrance on the school site, using the LA's Geographical Information System (GIS) mapping system, will be used to rank the preferences concerned. The nearest school will be regarded as the highest preference.
- (2) If more than one form is received, and any earlier applications have not been withdrawn in writing, the most recently dated application form [submitted by the relevant closing date] will be used. If forms are not dated or are dated on the same day, those schools where the order of preferences is not clear will be ranked as in 4(1) above. See also, section 1(2)(ii) relating to parental disputes.

5. Testing of Ability or Aptitude

- (1) Where a selection test of any kind, i.e. for ability or aptitude, is part of the school's admission arrangements, the admission authority for the school must make it clear to parents or carers that, whilst they can be tested, they are still required to express a preference for that school on the appropriate form SA1, SA2 or SA3 otherwise they **will not** have applied for a school place.

6. Determining Offers in Response to the Common Application Forms [i.e. SA1, SA2 and SA3]

- (1) All preferences will be considered equally. This is known as an **equal preference scheme**. It means that a child will be considered for a place at each school named on the application form irrespective of whether the school was given as the 1st, 2nd or 3rd preference on the application. Where a child is eligible for a place at more than one of the preferred schools given on the original application form, a place at the school given as the highest preference will be offered on national offer day.
- (2) The LA will only make any decision with respect to the offer or refusal of a place in response to any preferences expressed on the application forms where:
 - it is acting in its separate capacity as an admission authority, or

- an applicant is eligible for a place at more than one school [see 6(1) above]; or
- an applicant is not eligible for a place at any school for which they have expressed a preference. A place would only be offered at a voluntary aided, foundation, free school or an academy if its admission number had not been reached in offering places to those parents and/or carers who submitted a timely application and gave the school as one of their three preferences.

7. Parents and Carers Applying for a Place at a School Outside of Cumbria

- (1) Parents or carers may express a preference for school[s] in another LA area.
- (2) If a pupil would be eligible for a place at a school in Cumbria and a neighbouring Authority has also indicated that a place can be offered at one of its schools, the parents and/or carers will be offered the place at the school which was ranked as their highest preference.

8. Processing Parental Preferences

The following timetable sets out the final deadline dates that will be applied to the processing of parent or carer preferences received by the relevant closing date (31 October 2022 for secondary schools [SA3] and 15 January 2023 for infant, primary [SA1] and junior schools [SA2]):

	Secondary [SA3]	Reception [SA1]	Junior [SA2]
LA notification to other LAs of preferences expressed for schools in their area.	18.11.22	26.01.23	26.01.23
LA notification to voluntary aided, foundation, free schools and academies of all first, second and third preference applications received [see note]. Details of number of applications received to community and voluntary controlled schools.	25.11.22	27.01.23	27.01.23
Final date for governing bodies of voluntary aided, foundation and free schools and academy trusts to consider all applications, apply the school's oversubscription criteria and provide the LA with a list showing which category in their admissions policy each applicant falls into.	9.12.22	10.02.23	10.02.23
	Secondary [SA3]	Reception [SA1]	Junior [SA2]
Ranking of applicants in the category in which the cut-off point falls must also be shown. Note: Any school having difficulties meeting this deadline must agree an alternative one with the School Admissions and Appeals Team.	9.12.22	10.02.23	10.02.23

Liaison period for the LA and voluntary aided, foundation, free schools and academies to finalise allocations. Lists for oversubscribed schools will be compared. Where a place can be offered at more than one school, the LA will identify the highest preference school that can be offered. This will become the 'provisional allocation'.	9.12.22 to 20.01.23	13.02.23 to 03.03.23	13.02.23 to 03.03.23
Finalise Allocations			
Other LAs notified of places in schools in Cumbria to be offered to their residents.	10.02.23	17.03.23	17.03.23
Notification to all maintained schools and academies of number of pupils to be offered a place. NB: This is confidential information and must not be passed on to parents or carers. The information is provisional and may, if necessary, change prior to the relevant National Offer Day.	21.02.23	31.03.23	31.03.23
LA notification to parents or carers informing them of the outcome of their application [Offer Days].	01.03.23	17.04.23	17.04.23
<p>Note</p> <p>The LA will notify voluntary aided, foundation, free schools and academies of all first, second and third preference applications which have been received for their school. In line with legislation, where these preferences are passed on, the order of parents or carers' preferences <u>will not</u> be made known to schools.</p> <p>Community and voluntary controlled schools will be informed how many first preference applications have been received.</p> <p>This information is for school use only to enable the admission authority to apply the schools oversubscription criteria in order to provide a full ranking list to the LA by the required deadline. The information should not be used for any other purpose.</p>			

- During the liaison period with voluntary aided, foundation, free schools and academies, the LA will adjust the pupil lists to remove children who can be offered a higher preference school.
- Voluntary aided, foundation, free schools and academies will have provided a full ranking list to the LA by the specified deadline (9 December 2022 for secondary schools and 10 February 2023 for infant, primary and junior schools). However, during the liaison period, the LA may need to discuss changes to the allocation lists with voluntary aided, foundation free schools and academies and some further ranking may be required. Where this is the case, an appropriate deadline for the submission of revised information, to the LA, will be agreed with the individual school.

9. Distance Measurements

(1) Straight-line Measure

Where there are more applications than places available at a community or voluntary controlled school for entry to all year groups, applications will be prioritised using the oversubscription criteria set out in the General Admission Policy 2023-24. For any criteria that gives priority to those living closest to the school, distance measurements will be undertaken using the LAs computerised Geographical Information System (GIS). This measurement will be a straight-line measurement between the centre of the pupil's home address and a common point on the school site as determined by the LA.

(2) Shortest Walking Route by Road

Where a place cannot be offered at any of the parents or carers' preferred schools, the LA will allocate a place at the nearest school in Cumbria to the home address with a place available after all timely applications have been processed. In these circumstances, the distance will be measured by the shortest walking route by road between the pupil's home address and the nearest available entrance on the school site using the LA's GIS mapping system.

10. Where a Place is Not Available at the Parents or Carers' Preferred Schools

- (1)** Where a child is not eligible for a place at any of their parents or carers' preferred schools, they will be allocated a place at the nearest school in Cumbria to the home address with a place available after all timely applications have been processed, measured by the shortest walking route by road (9(2) refers) using the LA's GIS mapping system. Unless a parent or carer has specifically stated that they would not accept a place at a Catholic school, a place at a Catholic school would be offered where this is the nearest appropriate school.
- (2)** If only one school is named on the application form and it is not possible to allocate a place at that school, the child will not automatically be considered for any other schools in the local area, eg. the catchment area school; this is because the schools were not named on the application form. In these circumstances a place will be allocated at the nearest school in Cumbria with a place available after all timely applications have been processed, measured by the shortest walking route by road (9(2) refers) using the LA's GIS mapping system.
- (3)** If a school is identified as the alternative school for more pupils than there are places available, the General Admission Policy 2023-24 or the school's oversubscription criteria will determine priority for a place.

11. Informing Parents and Carers of the Outcome of Their Application

- (1)** The LA will inform all parents or carers of the outcome of their application as follows:

Online applications

Parents or carers who have made their application online will receive an email on the following dates, or on the first working day thereafter:

Year 7 Places [Secondary]	-	1 March 2023
Reception Places [Infant/Primary]	-	17 April 2023
Year 3 Places [Junior]	-	17 April 2023

Paper applications

Parents or carers who have made paper applications will receive a letter. Letters will be sent by post or e-mail on the dates above, or on the first working day thereafter.

All parents or carers who have been refused a place at their preferred school(s) will also receive a letter. This will be as well as the e-mail notification that will be issued if the application was made online.

The letters will give the following information:

- the name of the school at which a place has been offered;
- in relation to voluntary aided, foundation, free schools and academies, that the offer is made on behalf of the governing body or the academy trust;
- the reasons why the child has not been offered a place at the other schools which were given as a preference (if relevant);
- contact details for the LA where a place has not been offered;
- information about the statutory right of appeal against the decision to refuse a place at any school given as a higher preference;
- confirmation that the right of appeal is in relation to any school given as a preference and where a place has not been allocated; and
- confirmation that in the re-allocation process, parents or carers will be considered for any places that might become available in schools they ranked higher than the school they have been offered, and what to do if they wish to be considered for any vacancies beyond that point.

(2) Parents or carers who **don't wish** to take up the place offered because they have made alternative arrangements will be asked to do so by the following dates:

Year 7 Places [Secondary]	15 March 2023
Reception Places [Infant/Primary]	3 May 2023
Year 3 Places [Junior]	3 May 2023

If parents or carers do not respond by this date it will be deemed that they have accepted the place.

12. Re-allocating Places which are not Taken Up or Subsequently Become Vacant

(1) The LA will re-allocate any places which have become vacant since allocation letters were sent out. This will take place on or around:

Year 7 Places [Secondary]	23 March 2023
Reception Places [Infant/Primary]	11 May 2023
Year 3 Places [Junior]	11 May 2023

(2) Consideration will be given to all outstanding applicants, including any late applications.

- (3) Places will be re-allocated by applying the school's oversubscription criteria (for community and voluntary controlled schools the LA oversubscription criteria will apply). Where the information is not already held, the LA will liaise with voluntary aided, foundation, free schools and academies regarding the ranking of outstanding applicants.
- (4) During the course of the year, as vacancies arise, the LA will re-allocate the places to those applicants on the waiting list of community and voluntary controlled schools in accordance with its oversubscription criteria.

13. Late Applications Submitted After the Main Intake Closing Dates

- (1) Applications received by the LA after the main admissions round closing dates and where there are no exceptional circumstances, or after the dates specified at 3(5) even if there are exceptional circumstances, will only be considered **after** the allocation decisions have been made in paragraph 8.
- (2) Where it is not possible to offer a place on the Offer Days [paragraph 8] a place will be offered as soon as possible thereafter however, this may not be until re-allocation day. For any school that is oversubscribed, late applicants will not be notified of the outcome of their application until after re-allocation day (see 12(1)).

14. Waiting Lists

- (1) The LA will maintain a waiting list for each community and voluntary controlled primary and secondary school, i.e. those schools where the LA is the admission authority, until 31 December of the normal school year of admission.
- (2) Waiting lists for schools will be kept by the relevant admission authority until 31 December 2023 as a minimum.

15. Applications Received After the First Day of the School Year and Other In-Year Requests for Admission

- (1) Applications received after the first day of the school term of the admissions year, and at any time for entry other than to the normal year of entry, will be treated as in-year admissions. These applications should be made on Form SA8.
- (2) Once any places have been re-allocated on the specified dates, and until 31 August 2023, any applications for entry in September 2023 to Reception in an infant or primary school, Year 3 in a junior school or Year 7 in a secondary school will continue to be treated as main intake applications for the normal admissions round.
- (3) Forms SA1, SA2 and SA3 will be used for this purpose up until the first day of the school term of the normal admissions year. From re-allocation day up until the first day of the school term of the normal admissions year, the LA will continue to process all main intake applications. The LA will liaise with voluntary aided, foundation, free schools and academies regarding the allocation of places for the normal year of entry. The LA, as the admissions authority, will continue to process applications for community and voluntary controlled schools for the normal year of entry.
- (4) For community and voluntary controlled schools which have been oversubscribed, the LA will continue to re-allocate places up to the end of the autumn term in line with its published admission arrangements. Therefore, if parents contact schools to request a September 2023 Reception, Year 3 or Year 7 school place, the school should refer the parent to the LA.

- (5) Community and voluntary controlled schools that are not oversubscribed may advise parents about the availability of places in the normal year of entry or in any other year group at the school. However, if parents wish to make an application for a place, they should be directed to the LA. All applications for in-year admission to a community or voluntary controlled school must be made using a Form SA8 that will be processed by the LA.
- (6) The LA is responsible for processing all in-year applications for all community and voluntary controlled schools; Appendix 3 lists the community and voluntary controlled schools for which the LA is admissions authority. If a parent contacts the school requesting admission, the parent should be referred to the School Admissions and Appeals Team in order that Form SA8 can be completed by the parent.
- (7) The LA is also responsible for processing all in-year applications for the own admission authority schools listed at Appendix 4.
- (8) For the schools listed at Appendix 5, if any parent approaches a voluntary aided, foundation, free school or academy directly about an in-year admission, the governing body or academy trust should offer a place where possible and notify the LA. Where a place cannot be offered, the governing body or academy trust **must** offer the right of appeal, and advise the parent to contact the LA School Admissions and Appeals Team in order that a Form SA8 can be completed.

Own admission authority schools **must** notify the LA of both the application and its outcome to allow the LA to keep up to date figures on the availability of places in the area.

- (9) Where the LA receives an SA8 direct from a parent giving a voluntary aided, foundation, free school or academy as their first preference or in pursuing alternative preferences where higher preferences have been refused, the request will be referred to the governing body or academy trust to make a determination regarding the application. The governing body or academy trust should notify the parent or carer in writing of its decision with a copy to the LA.
- (10) Parents who are refused admission **must** be offered a right of appeal. The reason for the refusal and information about the appeals process **must** be provided by the relevant admission authority in the refusal letter.
- (11) The LA will keep track of any pupils who apply for in-year admission using form SA8, and intervene as appropriate to ensure that they are placed in a school without undue delay.

16. Applications for Energy Coast UTC and Queen Elizabeth Studio School

- (1) Energy Coast UTC and Queen Elizabeth Studio School offer the opportunity for pupils to join them at the beginning of Year 10. Details about both of these schools are included in the Transfer to Secondary School in Cumbria – September 2023 parental information booklet produced by the LA.
- (2) For further information and to apply for a place at Energy Coast UTC or Queen Elizabeth Studio School, parents should contact the schools directly.
