

Commons Act 2006 – Section 19(2)(b)

Application to correct the register

NOTICE OF DETERMINATION

Application Number: CA10/64

Notice is hereby given that Westmorland & Furness Council, as commons registration authority (“the CRA”), has considered an application submitted by **Christopher John Richard Lasper** (“the Applicant”) to correct a mistake in register unit CL3 Eastern Martindale Common.

Decision

The CRA resolved to accept the application to amend the register by creating a new entry to reinstate a right to graze 135 sheep which was originally part of the right registered at entry 5.

Reasons

No objections were received in relation to the application. The Commons Registration Officer (“the CRO”) assessed the application and found it to be duly made under the criteria prescribed by the relevant regulations and guidance. Following the oral representations meeting on 8 February 2024, the CRO accepted the Applicant’s argument that a mistake was made in the implementation of the determinations of applications CA14/76 and CA14/77. This mistake resulted in the removal from the register of 135 grazing rights attached to O.S. fields numbered 103, 104 175, 206, 207, 208 on the O.S. Map (Edition of 1915) in the parish of Martindale, Westmorland which were originally recorded as part of the right at entry 5.

Outcome

Commons register unit CL3 has been amended by creating a new entry to reinstate the above mentioned right.
