

Commons Act 2006 – Section 19(2)(a)

Application to correct the register

NOTICE OF DETERMINATION

Application Number: CA10/66

Notice is hereby given that Cumberland Council as commons registration authority (“the CRA”) has considered an application submitted by **Graham Joseph Park and Cherith Lavinia Park** (“the Applicants”) to correct a mistake made by Cumbria County Council as the commons registration authority at the time, in the registration of land at 1 Lane Foot, Kinniside, Cleator Moor (hereinafter referred to as “the Application Land”) as part of the common land register unit CL105 Longmoor.

Decision

The CRA determined to accept the application in part and to remove from the register the part of the Application Land shown hatched violet and marked ABHIENML on the plan attached to this Notice.

Reasons

The Assistant Director of Neighbourhoods, on behalf of the CRA, took into account a report written by the Commons Registration Officer (“the Officer”). The Officer’s report made a recommendation to accept the application in part on the grounds that there is sufficient evidence that Cumbria County Council as the then registration authority made a mistake when drafting the current edition of the register map by mistakenly including part of the Application Land within the boundary of common land register unit CL105 Longmoor.

Outcome

The CRA has given effect to the determination by removing from the register 0.046 ha of land shown hatched violet and marked ABHIENML on the plan attached to this notice.
