

**Commons Act 2006 – Schedule 3**  
**NOTICE OF APPLICATION TO AMEND THE REGISTER TO RECORD AN HISTORIC EVENT**  
**Severance**

Notice is hereby given that an application has been made by **Gillian Margaret Hedworth** (“the Applicant”) to Cumbria County Council as Commons Registration Authority, under Schedule 3 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register CL3, Eastern Martindale Common.

A summary of the effect of the application is as follows: The right to graze 350 sheep over the whole of the land in register unit CL3 (“the Right”) was registered as attached to Hause Farm in the parish of Martindale, Westmorland comprising of O.S. Nos. 97, 98, 103, 104, 175, 206, 207, 208, 256, 307, 309, 318, 318a, 325, 325a, 336 and 352 on the O.S. map (edition of 1915). In 2017 a declaration of partial entitlement was made which claimed 135 of these sheep rights, those belonging to O.S. field numbers 103, 104, 175, 206, 207 and 208, and these were recorded at entry 31. The Applicant claims that this portion of the Right, equating to 135 sheep, was severed from the land as a result of a charge originally created over Hause farm on 20<sup>th</sup> December 1990 by UCB Bank Plc (“the Charge”). The Applicant claims that the grazing rights of common were excluded from the security taken by the Charge, and therefore when UCB Bank PLC obtained an order for possession of Hause Farm on 1<sup>st</sup> February 2002, and the Court of Appeal confirmed the possession order on 4<sup>th</sup> December 2003, the rights themselves remained in possession of the Applicant. The Applicant claims that by the time the Charge over Hause Farm was assigned to Fairbank Holdings Limited on 24<sup>th</sup> November 2004 and subsequently sold at auction the common rights were not attached to the farm.

The Applicant has provided a copy of the Charge and related correspondence, as well as subsequent documents purportedly showing that the rights having been treated as severed. The Applicant seeks by this application to register the severance in the register.

If this application is granted the partial declaration made in 2017, which resulted in 135 rights being registered at entry 31 under the names of Charles Robert McQueen Grant Rowley and Christine Elaine Myers Rowley, would be cancelled. A new entry would be created to show these rights being held in gross under the name of the Applicant.
