Applications for the registration of a new town or village green**

NOTICE OF PUBLIC INQUIRY

Notice is hereby given that Cumbria County Council, as Commons Registration Authority, has determined that a Public Inquiry should be held to consider applications **CA9/4** and **CA9/8** made by **Mr Ian McIntyre** ("the Applicant") under section 15(2) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

Both applications relate to the same piece of land, known locally as 'The Celtic', located at the junction of Empress Drive and Mikasa Street, South Walney, Barrow-in-Furness, as shown outlined in red on the attached plan ("the Application Land"). Applications CA9/4 and CA9/8 were received on 30th January 2019 and 4th April 2022 respectively, and both aim to show that a significant number of the inhabitants of any locality, or of any neighbourhood within a locality, have indulged as of right in lawful sports and pastimes on the land for a period of at least 20 years; and, they continued to do so at the time of application. Although the applications concern the same piece of land an independent decision will be reached on each.

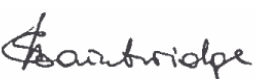

Following a request to postpone the inquiry, along with a subsequent change of ownership of the land, the Inspector has deemed it reasonable to postpone the inquiry until October, to give all parties a chance to better prepare.

The inquiry will now open at The Ante Room, The Forum, 28 Duke Street, Barrow-in-Furness, LA14 1HH at **10am on Monday 17th October 2022**. The Inquiry is due to close on **Thursday 20th October 2022**. An evening session may be provided, if required.

As stated on the previous notice, anyone can attend the inquiry. Anyone who wants to be heard on the subject matter of the applications, may, at the discretion of the Inspector, give evidence at the Inquiry, or arrange for someone to do so on their behalf.

Anyone who proposes to address the inquiry should submit a skeleton argument summarising their case and setting out any legal points relied on by **4pm on 10th October 2022**. The skeleton arguments should be sent to the Commons Registration Service by either post or email using the details provided below.

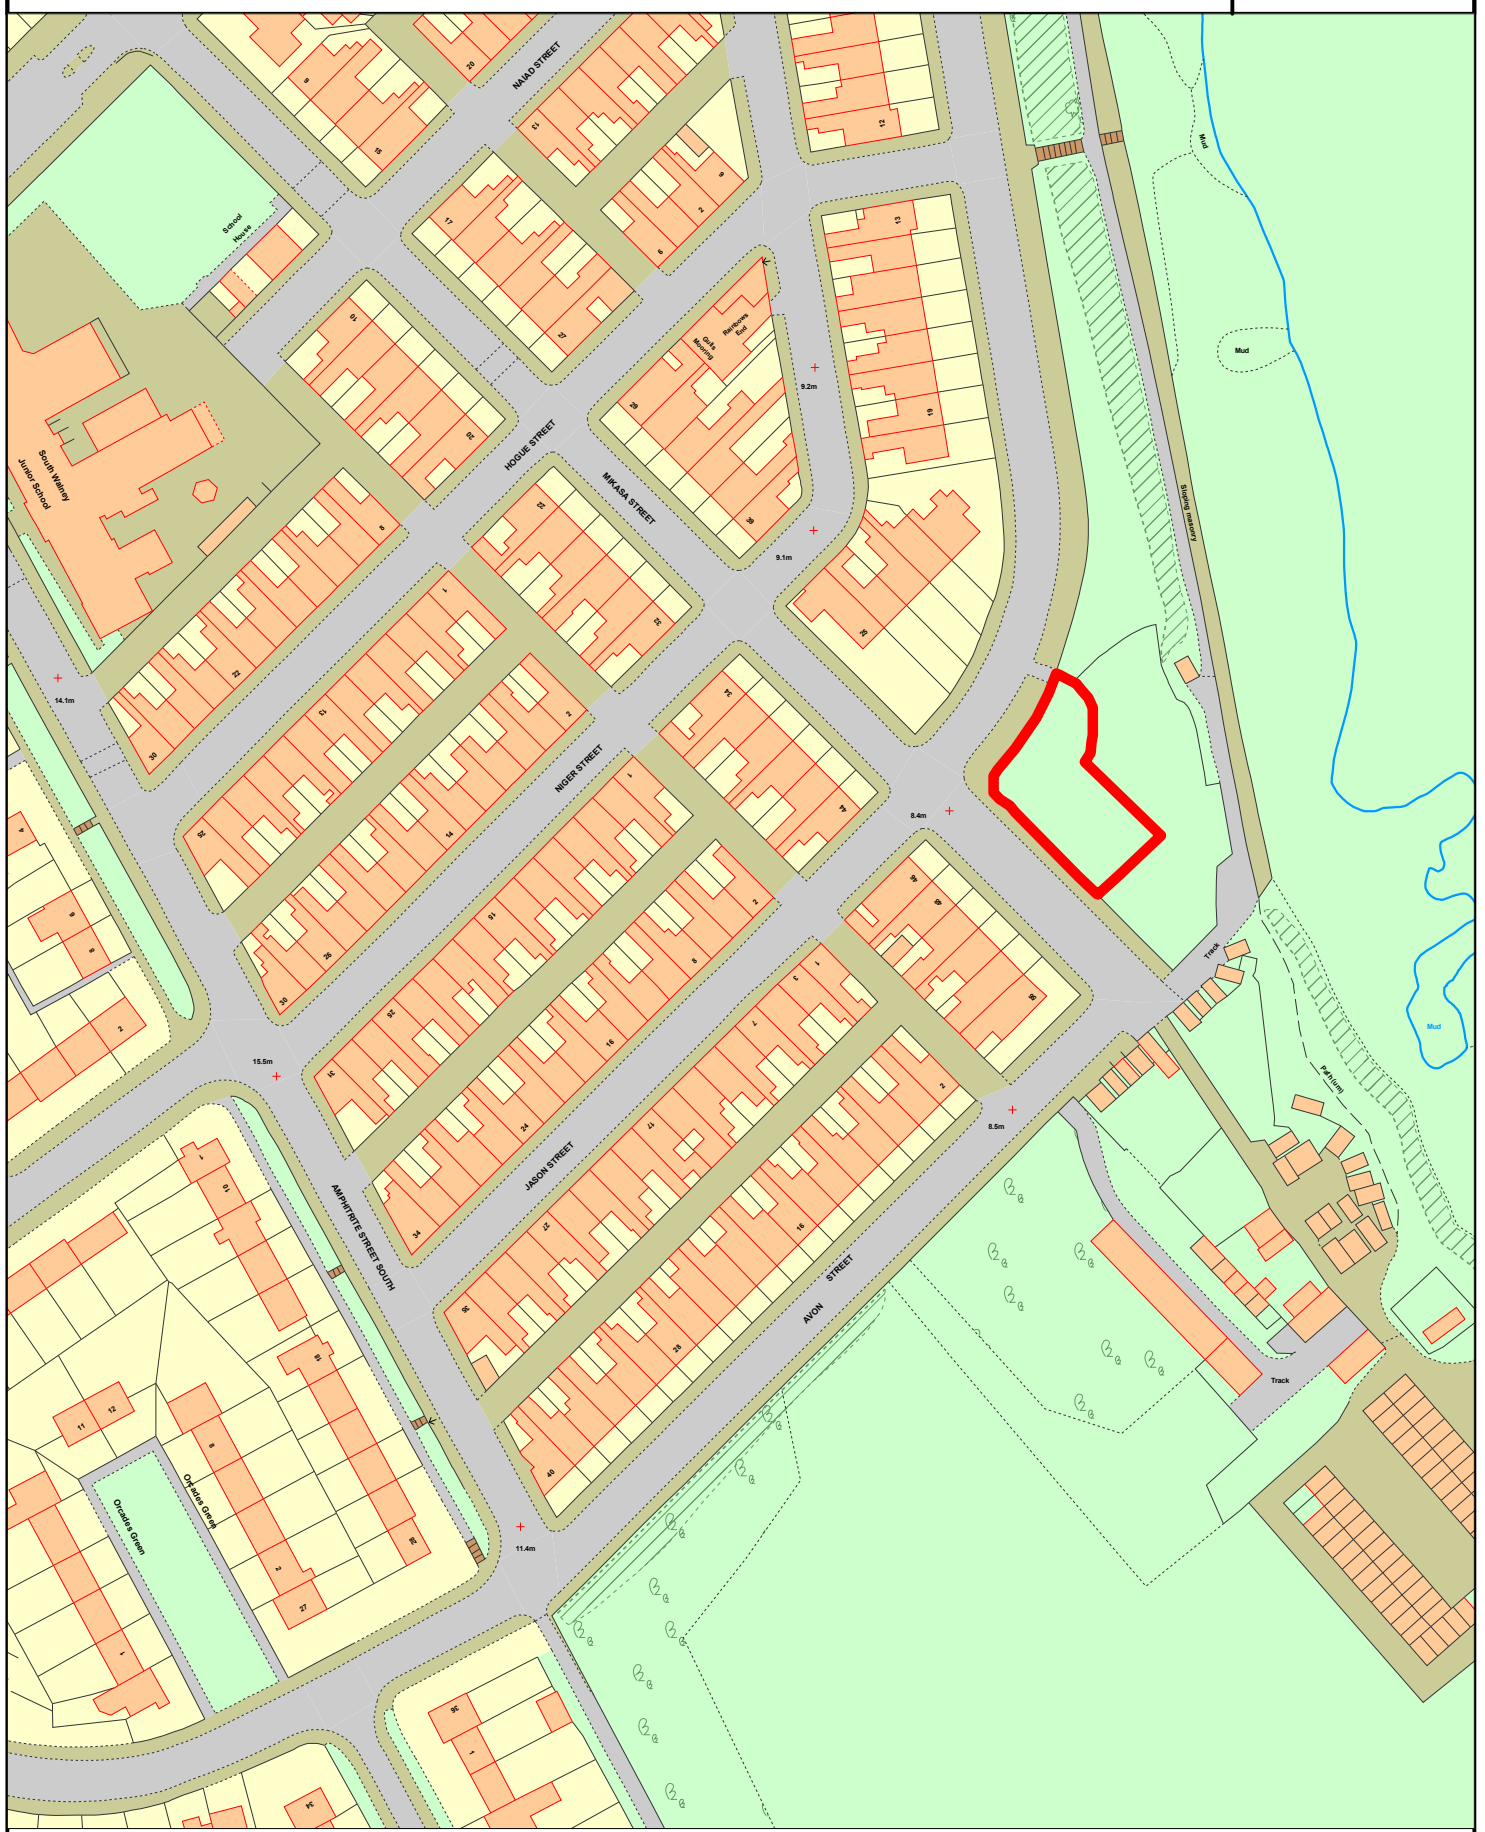

Documents relating to the application are not available online, although some may be able to be provided on request. Requests should be sent directly to the Commons Registration Service at E: commons.registration@cumbria.gov.uk T: (01228) 221028. A full copy of all documents are available for inspection at: The Commons Registration Service, Lady Gilford's House, Petteril Bank Road, Carlisle, CA1 3AJ, strictly by appointment only. Please contact the Commons Registration Service using the details above to arrange an appointment quoting reference number **CA9/4 and CA9/8**.
