

**A Proposal by Cumbria County Council
Section 19 of the Commons Act 2006
Correction of the Register**

Description of the land to which the right is attached, incorrectly recorded in the register

In accordance with paragraph 18(1) of The Commons Registration (England) Regulations 2014 please find below a statement in writing describing the proposal and the justification behind it.

Description of the proposal:

It has become apparent that an error was made by the Commons Registration Authority when recording the 'particulars of land to which the right is attached' at entry 12 of CL20 Caldbeck Common in 1968. O.S. Field number 936 was incorrectly included in the register but was not included on the original application, number 908 dated 25th June 1968.

Justification for the proposal:

The Commons Registration Authority believe that correcting this mistake, and therefore ensuring the accuracy of the commons register would be in the public interest, particularly as the remaining rights are likely to be apportioned further.

Official notice of proposal to follow

**A Proposal by Cumbria County Council
Section 19 of the Commons Act 2006
Correction of the Register**

Notice is hereby given that a proposal has been made by **Cumbria County Council** ("the Proposer") as the Commons Registration Authority, under Section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The proposal relates to register unit CL20 Caldbeck Common

A summary of the effect of the application is as follows: An application for the registration of a right of common was made on 25th June 1968 by Messrs Arthur and Joseph Arthur Brownrigg, Street Head, Hesket Newmarket, Wigton, Cumberland. The application stated that the right of common to graze 200 ewes and followers and 80 hogs should be attached to Street Head Farm, Hesket Newmarket, Part 967, Part 978, 933, 930, 929, 931, 939, 956, 935, 956, 957 and 979.

When the registration was made final on 7th October 1982, field number 936 was mistakenly included in the particulars of land to which the right was attached. The Proposer seeks by this proposal to correct that mistake.

If the proposal is granted the Commons Registration Authority will give effect to the determination by deleting current entry 12 (making reference to the new corresponding entry) and making a new entry in the register showing the right with field 936 removed.
