

**A Proposal by Cumbria County Council  
Section 19 of the Commons Act 2006  
Correction of the Register  
Particulars of a right of common incorrectly recorded**

In accordance with paragraph 18(1) of The Commons Registration (England) Regulations 2014 please find below a statement in writing describing the proposal and the justification behind it.

**Description of the proposal:**

It has become apparent that an error was made by the Commons Registration Authority when updating the commons register for CL20 Caldbeck Common in 2017 to record severance of rights. The particulars of the right of common as described in column 4 of entry 406 have been recorded incorrectly to say "The right to graze 4 sheep and 2 cattle", instead of "The right to graze 8 sheep or 2 cattle"

**Justification for the proposal:**

The Commons Registration Authority believe that correcting this mistake, and therefore ensuring the accuracy of the commons register and restoring the total of grazing rights on Caldbeck Common to their correct number, would be in the public interest.

Official notice of proposal to follow

**A Proposal by Cumbria County Council  
Section 19 of the Commons Act 2006  
Correction of the Register  
Particulars of a right of common incorrectly recorded**

Notice is hereby given that a proposal has been made by **Cumbria County Council** ("the Proposer") as the Commons Registration Authority, under Section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The proposal relates to register unit CL20 Caldbeck Common.

A summary of the effect of the application is as follows: The right to graze 44 sheep or 1 pony or 10 cattle was registered at entry 238 of register unit CL20 Caldbeck Common. Applications for the amendment of entry 238 to record severance and a declaration of entitlement to exercise a right of common were made on 1<sup>st</sup> April 2016 ('the 2016 Applications'). The 2016 Applications resulted in the rights for 36 sheep or 1 pony or 8 cattle being recorded at entry 405, and the remaining (severed) rights being recorded at entry 406. The particulars of the right of common in column 4 of entry 406 have been recorded incorrectly to say "The right to graze 4 sheep and 2 cattle", instead of "The right to graze 8 sheep or 2 cattle".

If the proposal is granted the Commons Registration Authority will give effect to the determination by deleting current entry 406 (making reference to the new corresponding entry), and making a new entry in the register which would have the particulars of the right recorded as "The right to graze 8 sheep or 2 cattle" in column 4.
