

Commons Act 2006 - Schedule 3

Application to amend the register to record an historic event – historic severance of a right of common.

NOTICE OF DETERMINATION

Application Number: CA14/40

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority (“the CRA”), has at a meeting of its Development Control and Regulation Committee (“the Committee”) on the 14th November 2018 considered an application submitted by Dennis Henry Strong to amend the register to record an historic severance of part of the right of common relating to the right to graze 114 ewes and followers and 30 hogs which was originally registered at entry 109 of register unit CL20 Caldbeck Common as attached to O.S. field numbers 175, 153, 148, 152, 151, 150 and 112 (“the Right”).

Decision

The Committee resolved to accept the application to amend the register by registering the severance of the remaining proportion of the Right which was originally attached to O.S. field numbers 175, 153, 148 and 152.

Reasons

The Committee took into account a report written by the Commons Officer (“the Officer”). The Officer’s report made a recommendation to the Committee to accept the application on the grounds that, on the balance of probabilities, there is sufficient evidence that severance of the proportion of the Right has occurred.

The register for CL20 Caldbeck Common has been amended to show the proportion of the Right which was previously attached to O.S. field numbers 175, 153, 148 and 152, and had not been severed already, as severed from the land and held in gross.
