

Commons Act 2006 - Schedule 3

Application to amend the register to record an historic event – historic severance of a right of common.

NOTICE OF DETERMINATION

Application Number: CA14/55

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority (“the CRA”), has at a meeting of its Development Control and Regulation Committee (“the Committee”) on the 14th November 2018 considered an application submitted by Askham Bryan College to amend the register to record an historic severance of part of the right of common relating to the right to graze 40 ewes and 12 ewe hoggs on Bowscale Fell, which is registered at entry 19 of register unit CL60 as attached to O.S field numbers 57, 58, 56, 95, 96, 97, 98, 99, 100, 125, 102, 103, 94, 131, 132, 133, 130, 129, 128, 134, 126, 127, 136, 202, 205, 142, 143, 145, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 189, 190, 245, 244, 246, 247, 241, 243, 694, 693, 695pt, 690, 677 and 676 (“the Right”).

Decision

The Committee resolved to accept the application to amend the register by registering the severance of the proportion of the Right which was attached to O.S. fields numbered 133, 130 and 131.

Reasons

The Committee took into account a report written by the Commons Officer (“the Officer”). The Officer’s report made a recommendation to the Committee to accept the application on the grounds that, on the balance of probabilities, there is sufficient evidence that severance of the proportion of the Right has occurred.

The register for CL60 Carrock Fell and Mungrisdale Fell has been amended to show the proportion of the Right which was previously attached to O.S fields numbered 133, 130 and 131 as severed from the land and held in gross.

Documentation

Minutes of the meeting providing the Committee’s decision and the Officer’s report are available at:
