

Commons Act 2006 – Schedule 3

APPLICATION TO AMEND THE REGISTER TO RECORD AN HISTORIC EVENT – HISTORIC SEVERANCE OF A RIGHT OF COMMON

Notice of Determination

Application number CA14/84

Notice is hereby given that Cumberland Council, as the Commons Registration Authority (“the CRA”), has considered an application submitted by Mark Thornton (“the Applicant”). The application relates to a right of common to graze 300 sheep and followers, or 200 sheep and 10 cattle plus followers on Waberthwaite Fell (“the Right”), which is currently recorded at entry 8 of register unit CL73. The application sought to amend the register to record an historic severance of part of the Right, that part amounting to 7.91 sheep and followers, or 5.27 sheep and 0.26 cattle plus followers. The Right is currently recorded as being attached to a total of 20 O.S. parcel numbers (“the Dominant Tenement”), as described in column 5 of entry 8.

The application was made as a primary application in conjunction with secondary application CA14/85.

Decision

The CRA resolved to accept the application to amend the register by registering severance of part of the Right amounting to 7.91 sheep and followers (or equivalents), those being the rights attributed to the part of the Dominant Tenement not transferred by the conveyance dated 3 March 1992, which expressly transferred all of the Right.

Reasons

No objections were received. The Commons Officer concluded that there was sufficient evidence that severance of part of the Right occurred on 3 March 1992 when the entire Right was transferred with only part of the land to which the Right attached.

Outcome

The register for CL73 Waberthwaite Fell has been amended to show a portion of the Right as having been severed from the land and held in gross in the names of the purchasers listed on the 1992 conveyance.
