

Commons Act 2006 – Schedule 3

APPLICATION TO AMEND THE REGISTER TO RECORD AN HISTORIC EVENT – HISTORIC APPORTIONMENT OF A RIGHT OF COMMON

Notice of Determination

Application number CA14/85

Notice is hereby given that Cumberland Council, as the Commons Registration Authority (“the CRA”), has considered an application submitted by Mark Thornton (“the Applicant”). The application relates to a right of common to graze 300 sheep and followers, or 200 sheep and 10 cattle plus followers on Waberthwaite Fell (“the Right”), which is currently recorded at entry 8 of register unit CL73. The application sought to amend the register to record an historic severance of part of the Right, that part amounting to 7.91 sheep and followers, or 5.27 sheep and 0.26 cattle plus followers. The Right is currently recorded as being attached to a total of 20 O.S. parcel numbers (“the Dominant Tenement”), as described in column 5 of entry 8.

The Applicant aimed to show that, based upon the Right being spread evenly over the entire Dominant Tenement, the portion of the Right attributed to the land not conveyed on 3 March 1992, amounted to 7.91 sheep and followers (or equivalents), and the portion of the Right attributed to the land which was transferred was 292.09 sheep and followers (or equivalents).

The application was made in conjunction with application CA14/84 to record an historic severance of part of the Right (“the Primary Application”).

Decision

The CRA resolved to accept the application to amend the register by registering the apportionment of the Right in line with the Applicant’s calculations.

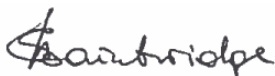

Reasons

No objections were received. The Commons Officer concluded that the Applicant’s calculations and assertions were correct. The Primary Application was also accepted.

Outcome

The register for CL73 Waberthwaite Fell has been amended to show the Right as having been apportioned in line with the Applicant’s agreed calculations. The 7.91 sheep rights shown to be associated with the land to which the Right was originally attached which was not transferred by the 1992 conveyance were subsequently severed from the land by the Primary Application and are now recorded in the register as being held in gross.
